Mexico's Roswell: The Chihuahua UFO Crash, 2nd Edition Noe Torres, Ruben Uriarte

On August 25, 1974, along the Rio Grande River near the Texas border town of Presidio, a thunderous explosion in the sky shattered the stillness of the warm summer night. An unidentified flying disc traveling at 2,000 miles per hour collided with a small airplane heading south from El Paso, Texas. The flaming wreckage of both aircraft fell to the Mexican desert below, igniting a desperate race by two governments to recover technology from beyond the stars. This book was the basis for an episode of the History Channel's UFO Hunters television series. **REVIEWS:** Amazing! This story is wilder than the U.S. Roswell. This book is an amazing piece of work. - George Noory, Coast to Coast AM. / A very nice and thorough job. - Jim Marrs, Bestselling Author. / Noe and Ruben are to be commended. Stanton T. Friedman, UFO Researcher.
