Movement James Ashton

Two outsiders with mundane jobs decide to embark on a campaign of vigilantism to add meaning to their fruitless lives. Stevie and the mercurial Dave soon realize they have the power to start a revolution...

But as Stevie's love interest seems to be slipping away and his day job threatens to turn him into a 'company man', Dave quickly escalates 'The Operations' with the establishment in his sights.

It's never enough for Dave; he's out of control and power is going to his head... he won't stop until he has revenge on the world...

Movement is a story ideal for fans of Irvine Welsh, Mr. Robot, Bret Easton Ellis and Chuck Palahniuk, through to Office Space.

From reader reviews:

Stefanie Roach:

The book Movement can give more knowledge and also the precise product information about everything you want. So just why must we leave a very important thing like a book Movement? A number of you have a different opinion about book. But one aim that book can give many data for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or info that you take for that, you could give for each other; you can share all of these. Book Movement has simple shape but you know: it has great and massive function for you. You can look the enormous world by available and read a e-book. So it is very wonderful.

Penny Risley:

What do you with regards to book? It is not important along with you? Or just adding material if you want something to explain what your own problem? How about your extra time? Or are you busy particular person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every person has many questions above. They should answer that question due to the fact just their can do that. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this Movement to read.

Larry Tatro:

Is it you actually who having spare time subsequently spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Movement can be the reply, oh how comes? It's a book you know. You are so out of date, spending your free time by reading in this brand new era is common not a geek activity. So what these guides have than the others?

Sylvia Ferland:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information from a book. Book is written or printed or illustrated from each source that will filled update of news. Within this modern era like now, many ways to get information are available for an individual. From media social similar to newspaper, magazines, science e-book, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just in search of the Movement when you needed it?
