## **The Mystery of the Spirit Underworld: "We Are Legion"** King J. Lester

The earth is full and running over with invisible evil spirit creatures that are enemies of God and deceivers of mankind. They have been a continual curse in the earth from the Garden of Eden until the present time. Too little is known about the damage they have done and continue to do to the human race. The Bible and history proves they are heartless, designing, and infinitely deceitful. Their appetite for destruction is never satisfied. They have the brash boldness to walk into the presence of the Almighty and to boast of their wicked comings and goings. Under the leadership of Satan, they have set up a system of diverse religious cults and organizations with their magnificent temples of worship and their religious writings. Evil spirits have successfully blinded people and alienated them away from God the Creator. It is time that these evil creatures were exposed and the facts about their origin and wicked words be made known.
