The night that changed everything!

Waitress Darcy Penn is the smart, sensible type—flirting with the extremely cute guy in the bar just isn't her usual style. As for ending up in his hotel room? Definitely not! Sneaking out while he's in the bathroom to avoid the post-sex awkwardness? Much more like it...

If Darcy had stuck around, Jeff Norton could have told her about their "epic latex fail." So he shouldn't be quite so shocked when months later, Darcy turns up at his classy L.A. office and throws up in his wastepaper basket. She's got a bad case of morning sickness, and she's here to find out what he's going to do about it!
