William Desmond Taylor Bruce Long

Now in paperback. William Desmond Taylor (1872-1922) was a leading silent film director remembered as the victim of Hollywood's most sensational unsolved murder, which shook the nation and shattered the reputations of several top Hollywood stars. Until now, Taylor's film career and leadership role in the Hollywood film industry have been completely overshadowed by the scandal of his death. By reprinting over 400 items from contemporary newspapers, magazines, and trade journals, the book reveals Taylor's life in Hollywood from his arrival as a minor actor in 1912 until his death in 1922 as one of Hollywood's top directors. These annotated clippings and articles, many containing Taylor's own words, provide substantial insight into Hollywood life and film production during the decade that transformed Hollywood into the movie capital of the world. Included in the book is the most extensive filmography of Taylor's work ever published. Taylor's murder is also examined, including a critical analysis of two published 'solutions' to the crime.
