Beethoven: the Man and the Artist, as Revealed in his own Words Ludwig van Beethoven

This little book came into existence as if it were by chance. The author had devoted himself for a long time to the study of Beethoven and carefully scrutinized all manner of books, publications, manuscripts, etc., in order to derive the greatest possible information about the hero. He can say confidently that he conned every existing publication of value. His notes made during his readings grew voluminous, and also his amazement at the wealth of Beethoven's observations comparatively unknown to his admirers because hidden away, like concealed violets, in books which have been long out of print and for whose reproduction there is no urgent call. These observations are of the utmost importance for the understanding of Beethoven, in whom man and artist are inseparably united. Edited by Friedrich Kerst and Henry Edward Krehbiel.
