Help bring combat veterans all the way back home.

Over a half million combat veterans have returned from Iraq and Afghanistan. With thousands of military personnel still deployed, few communities escape the direct impact of soldiers returning from war. Yet their needs and the needs of their families are often hidden in plain sight in our congregations and communities. This book identifies specific needs of veterans and their families and gives creative and practical ways your church can minister to them. It is a “must have” for anyone serious about giving back to those who have given so much.

"You [Thompson and Wetterstrom] are plowing very important ground, and I thank you for the reminder." - author Philip Yancey
