Unforgettable moments shape a romance that could last a lifetime.

Jen Adams's first kiss didn't happen the way she'd expected. On a steamy summer day, a shared moment with a boy from the bad side of town leaves an indelible impression on a thirteen year old girl. But that's only the first time Jen and Drake Malinson's paths cross unexpectedly.

The night of junior prom Jen bumps into an older, sexier and wilder Drake. He distracts and mesmerizes her, turning a disastrous evening into one she'll always remember.

When they meet again as adults under unusual circumstances, Jen tries to ignore old memories. Were her youthful insights into Drake real or did his kisses seduce her into false perceptions of him. Can straight-arrow Jen and aimless Drake change and grow enough to find common ground?

Four vignettes illustrate a relationship that spans years. A 20,000 word novella.

LOVE NIBBLES is a series of stories and novellas originally written for various anthologies. I hope you enjoy these tasty tidbits.
