Mabon Harvest Home Ritual: A year of original & empowering rituals for the solitary practitioner (Seasons of Ceremony Book 8) Leslie Carson

The Seasons of Ceremony rituals are designed for the solitary practitioner, assuming little or no previous magickal experience or training.

These rituals and spells are original rites. While crafting them along traditional lines and according to age-proven principles, symbols and wording which other specific traditions may consider their own have been deliberately avoided. In using Seasons of Ceremony rituals, therefore, you will inherit none of the magickal “baggage,” for good or ill, which might come with a spell copied from some other source.

More advanced practitioners, and especially those already trained in a specific system of magick, may prefer to substitute their own symbols for the ones provided. Users may also wish to incorporate these spells into more elaborate rituals such as traditional Sabbat observations.
