Pass Key to the LSAT (Barron's Pass Key to the LSAT) Jerry Bobrow Ph.D.

This book is a compact version of Barron's full-length LSAT test preparation manual. *Pass Key to the LSAT* presents three full-length model tests with all questions answered and explained. They closely reflect the currently given Law School Admission Test in length, question types, and degree of difficulty. The author also provides a valuable analysis of the test's four question types: reading comprehension, analytical reasoning, logical reasoning, and the writing sample. New in this edition is a review of logical and analytical-type reasoning, and charts analyzing recent LSATs in terms of approximate percentages of problem types and common item types, as well as suggested three-, four-, and five-step approaches to question types.
