## **Power to Change** Dan John

Power to Change examines surprising congruencies between views held by behavioral scientists and Christian theologians regarding our trinitarian make-up and shows what actually must take place in order to emancipate, empower and effect genuine and lasting change in our lives. It dispels myths surrounding mere cosmetic change and show how you and your loved ones indeed, all of society can experience a life transformation and the revitalization of relationships. The book has received numerous endorsements from mental health clinicians, theologians and pastoral counselors, which reflect wide acceptance of the author's insights into the subject of personal transformation.
