The Journey Home (Paths of Hope Book 1) Hope Kesler

In the eyes of the community, Birdie Miller is a loyal daughter and a church member in good standing.

Birdie knows this is a lie.

Soured to the faith by an unhappy childhood, she made the difficult decision to leave her home and not make final vows to the church. But when a terrible accident injures her mother, Birdie is forced to return home, where her father's act of deceit results in her vowing to follow a path she'd planned to reject.

Caleb Troyer is as certain in his commitment to the Amish path as any young man can be. He's mapped out his future, and those plans include marriage, a home and possibly church leadership.

When the woman he loves derails those plans by choosing another, he decides to start fresh in a new community, so he takes a position left vacant by the young farrier killed in the same accident that injures Birdie's mother.

For Birdie, the arrival of a handsome single man of marriageable age does not interest her. For how can a man of such deep and certain faith find common ground with a young woman who feels every inch a prodigal fraud?

As Caleb grows to understand Birdie, he longs to help her. But can a man of faith reach the heart of a spiritually wounded young woman with a reputation for rebellion? Is the spiritual path home lost to Birdie forever, or can love's light guide the way?
