Sloane Redding is the *shy* one, the timid one. The morning of her wedding, she's dumped by the man she'd thought she'd spend the rest of her life with. Humiliated, she turns tail and runs, leaving Nowhere, Alabama for a job in the city. Sloane sets out to remake herself. She succeeds...on the outside. On the inside? Different story. She still the *shy* Redding. Still quiet, still more interested in standing on the sidelines. But all of that is about to change.

The night before her brother's wedding, she strolls in the lone bar in Nowhere wearing wicked red and she's got one goal in mind: to show her *ex*-fiance just what he lost.

The night before his best friend's wedding, D.B. "Boone" Cassidy walks into the lone bar in Nowhere, Alabama with one goal in mind. *Get wasted*. Former military, he's spent the past few years as a security specialist and all around troubleshooter. It should have been easy to spot the trouble that night...a sexy woman in wicked red. It should have been easy. Yeah, right.

One thing leads to another and his plans to get wasted turn into a night with the sexy woman in red . Boone gets the shock of his life the next day when he shows up at his friend's wedding to find out he'd just spent the night wrapped around his best friend's little sister...and that isn't the *only* surprise.

Includes a bonus story, *Tempt Me*
