Why Me?

Popsicle is a whore from Cali who doesn't give a damn about her only child Monica. She blames her for the lost of the only person she's ever loved; her pimp Cobra. Popsicle feels that Monica owes her her happiness and her body. Monica respects Popsicle's hustle, but there is no way that she'd willingly sell her body for a living. Monica has plans to move down south with the love of her life and become a fashion designer. Popsicle isn't having that. She thinks it's time for Monica to pay her dues. Either she was going to do it willingly, or by force. Why Me is a novella of pure evil, revenge and undying love.....

Why Her?

Miracle can't grasp the fact that she was dismissed for a whore. Alexis refuses to admit that her lies are the reason her son is fatherless. Silvia loves her man and will stop at nothing to prove her love . . . nothing . . . So murder is an option.

All of these women have one thing in common: They believe that Monica is the problem, and they want her out of the way.

Why Her? is a novel about cruel, low self-esteem wenches who never understood the number one rule of love: Love thyself first. Because of that, they will make Monica's life miserable. Will Monica be able to survive the drama? Or will she give up and let them win?
