Badd Newz: The Untold Story of the Michael Vick Dog Fighting Case Kathy Strouse

Book Author, Kathy Strouse, has launched her first book, “Badd Newz-The Untold Story of the Michael Vick Dog Fighting Case”. She reveals the never before reported twists, turns, obstacles, plots, and setbacks that made building a case against superstar Michael Vick the challenge of a lifetime. Readers will be shocked to learn how close and how often Vick came to walking away from justice. Investigators were fueled by a determination to rescue the innocent dogs and to bring Vick and his Badd Newz crew to justice. The small team of “dead game” investigators put everything on the line to take a stand against the brutal “sport” of dog fighting. Strouse also introduces the undercover investigator known only as Dog Angel. A shadowy, elusive figure, he has worked for over 35 years infiltrating the underground world of dog fighting, rubbing shoulders with some of the most infamous characters in the “game”. The reader will learn how Dog Angel infiltrated the inner Badd Newz circle and used every skill in his arsenal to help make the case against them. No dog fighting case has ever captured the attention and the hearts of the public like the Michael Vick case. Most Americans had no idea that such cruelty even existed. The stakes in this case were very high. Success would send a message to dog fighters across the country that law enforcement was pledged to stamp out this cruelty and send the perpetrators to jail. Investigators knew they had to bring Vick to justice in spite of his wealth and fame. Climb aboard the rollercoaster for the story of how they did it.
