[BookStrand Cowboy Romance] Poppy Dumphy is Beverly Hills born and bred, and she has everything money can buy-except a connection with her father. After his death, she learns why and leaves her posh life to expose a long-kept secret. In Rowdy, Texas, small-town living suits Cale Hollander to a comfortable T. He runs his ranch, helps his neighbors, and is wary of strangers. The former rodeo bronc buster wants to return to his first love-riding. The last thing he needs is a distraction in the form of a petite blonde. The pair butts heads at every encounter as intensifying attractions-and mounting suspicions-flourish. Neither is prepared for the other as they fail in their fight with temptation. If they give in, will they both lose all they cherish when the truth comes out? Or can they build a life together better than either ever dreamed of? ** A BookStrand Mainstream Romance
