Sage Sayings is a compilation of some of the most inspiring, thought provoking, and sagacious words we have ever read. We certainly take no credit in penning these sage sayings nor can we, with much certainty, guarantee their authenticity. Nevertheless, the works, we are very certain, will cause you to pause, reflect, and perhaps even reprioritize. The collection includes proverbs, prayers, and quotations that we believe were written or spoken by a group of very wise men and women. As far as we can determine the origin of each of these seminal passages was a Native American. The compilation includes about 500 sayings we discovered.
