The Worth Series Boxed Set (Books 1-3) Mara Jacobs

Books 1-3 in the New York Times bestselling Worth Series

3 best friends - 3 new loves

Book 1:

Worth The Weight

A New Body...A New Life...An Old Flame?

Lizzie Hampton is literally a shadow of her former self. Having lost half her body weight, she's headed to her small hometown to test out her new body on an old flame.

Just a harmless fling to get her self confidence back before she returns to the city and the new man in her life.

But Lizzie's plan has a few bumps in the road.

Finn Robbins can't believe Liz is back in town. Desperate to be the holder of her innocence eighteen years ago, he never got the chance.

Now she's back and he can finally check her off his to do list.

But her friends, his son, and the mysterious Annie may have something to say about that.

Book 2:

Worth The Drive

All Katie ever wanted was a baby. Be careful what you wish for.

Katie Lipton is the town beauty, but that never got her what she wanted most—a baby. And, oh yeah, a faithful husband would have been nice, too.

Reeling from her husband's cheating and desertion, Katie embarks on a one-night fling with professional golfer Darío Luna. Never could she have imagined that one night with Darío would give her something fifteen years of marriage couldn't—morning sickness.

Darío was raised without a father, and he has no intention of the same fate befalling his child. He's still not sure about Katie, though. Did she trick him? Lie to him? But his feelings for her, and this crazy attraction he feels, soon has him putting his doubts aside to spend more time with her. He tells himself it's for the sake of the baby. Yeah. Right.

Agreeing to try to work out some sort of relationship before the baby is due, Katie travels with Darío to his golf tournaments, walking the course with him by day...and giving in to their attraction by night. But will it be enough?

Book 3:

Worth The Fall

Alison is way too smart to be this dumb about a guy.

Alison Jukuri is the smart one. But it hasn't seemed to help her much in her relationships with men. And now she's on the verge of making one, big stupid move.

Again.

Petey Ryan has spent his life hitting and being hit as a defenseman in the NHL. But now he's about to go up against his biggest foe of all ... tiny Alison Jukuri.

A woman with whom he shares a long-held secret.

These books each contain 2-3 fairly graphic love scenes and the F-bomb is detonated somewhat frequently. If they were movies, they would be rated R.

The Worth Series thus far:

1. Worth the Weight (Lizzie and Finn)
2. Worth the Drive (Katie and Dario)
3. Worth the Fall (Alison and Petey)
4. Worth the Effort (Deni and Sawyer)
- 4.5 Totally Worth Christmas - novella (Phoebe and Charlie)
5. Worth The Price (Liv and Twain)

Find this book as well as read it from right now!

Issac Molina:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Worth Series Boxed Set (Books 1-3) can make you experience more interested to read.
