Black & Decker Outdoor Fix-It 101: Projects You Really Can Do Yourself (Black & Decker 101) Steve Willson

You can do it outdoors?REALLY

Sure, every home has plumbing and wiring and decorating tasks to do, but new homeowners face daunting challenges outside the house, too. There are fences to mend, walkways to patched, siding to repair, roof leaks to be filled. And outdoor repair can be even more critical than indoor problems, since protecting a home's exterior against the elements is what makes a comfortable indoor life possible.

Black & Decker Outdoor Fix-It 101 is a must-have book for inexperienced homeowners who need detailed, fool-proof information on the most common exterior repairs they're likely to face. It cover basic maintenance of the home's exterior shell-it's siding, foundation and roof-as well as maintenance and repair of driveways, walkways, fences and other essential outdoor structures. Also included are some genuine home improvements.

Readers are provided with everything they need to do each of these projects successfully: background information, tool tips, safety tips, shopping advice, tools and materials lists-along with the most detailed step by step information available in any consumer book on home repair.
