Bring Me to Life by Scarlett Parrish

Nathan Stephenson died seventy years ago and he'd like the world—or at least one person—to think he stayed that way.

In 1940s London, Sergeant Nathan Stephenson ignored his rank and the expectation that he'd wait for the war to be over and find a nice girl to settle down with, and took a lover. Not only was Cian Ambrose unashamed of his bisexuality, he was also proud to be a vampire. Back then, he was certain that his and Nathan's relationship would last forever, refusing to take no for an answer.

One evening, Cian went too far in his attempts to persuade Nathan to become a vampire and left a mutual acquaintance, Jonathan Cutler, to deal with the aftermath. What Cian doesn't know is that Nathan didn't die—Jonathan brought him back to life, agreeing to keep Nathan's continued existence a secret.

It's now the twenty-first century and Jonathan's back to call in the favor. Nathan's an honorable man and can't say no, but the trouble is, wherever Jonathan goes, Cian Ambrose can't be far behind...

Scarlett Parrish

About the Author:

Scarlett Parrish was born at a young age on Planet Earth where she still spends most of her time. Possessed of an unholy lust for James Purefoy, she sometimes ventures out to stock up on chocolate, hurrying home again before the sun burns her to a cinder. Once James realises she's the only woman who can make him happy, she plans to rise up, take over the world and have a nice cup of tea.

Clearly, she forgot to take her medication before writing this author bio, but she does have splendid taste in music, the ability to leap tall buildings in a single bound and no idea why she's talking about herself in the third person.
