## **Business Law** Ewan Macintyre

The second edition of this major innovative text covers a wide variety of business law topics in considerable depth and at a high academic standard while maintaining an easily readable style. The text includes the English legal system and dispute resolution; the law of contract; sale of goods and the supply of services; agency; the law of torts; consumer credit; company and partnership law; employment law; intellectual property; trade descriptions, misleading prices and product safety. The integrated approach taken emphasises the policy behind the law and how different areas of law are interconnected. It is a complete teaching package with many student-friendly pedagogic features and superb lecturer support, including a companion website.
