Dani DeLuca is known as Firecracker, as much for her hot rides as a barrel racer as for her long, luxurious red hair. When she takes first place in the Fourth of July Golden Spur Rodeo she decides it's time to celebrate with some real fireworks. And who better to create those sparks than Chad Bailey, bull breeder, and Brody Hunters, champion bull rider. Dani's never experienced a ménage but she's sure if she did Chad and Brody would be the ideal candidates.

Chad and Brody have been rodeo friends with Firecracker for a long time but they've never taken it beyond that. For one thing they didn't want to ruin a great relationship. For another, they were all too aware that she didn't play on the circuit. But over some time sparks have been simmering between them, sparks that are just waiting to be ignited.

The two men take Dani to a classy hotel for an elegant dinner and night of celebration. But all through dinner the air around them crackles with sexual electricity and when they give in to the desires gripping them all, the Fourth of July fireworks have nothing on the sparks between Dani, Chad and Brody.
