## Here I Am (Life's Crossroads) Kelsey Browning

What is a calling? What is a spiritual gift? More importantly, why doesn't Janey have either? They say everyone is special in their own way, but the closest Janey gets to special is being especially average. Comparing herself to her "great at everything with perfect looks to boot" best friend Preston, doesn't exactly help. She feels like she is drifting through life without contributing anything to anyone. At seventeen, she doesn't expect to have her life all figured out but she desperately wants to know what God has planned for her. With determination, she vows to find her spiritual calling and get started doing God's work immediately, but distractions wait around every corner. Will she try to hard? Will she wait for God to show her the way, or will she dive in too deep?
