Getting a good score on the Miller Analogies Test is often a prerequisite for academic postgraduate study, or for high-level placement in some prominent business firms. It is a 100-question, 50-minute exam that presents verbal analogies in the form of multiple-choice questions in a way that measures both the test taker's analytical skills and his or her general knowledge of history, culture, and world events. This newly updated manual presents a diagnostic pretest and 10 complete practice MAT exams with answers explained plus approximately 1100 additional practice questions with answers. There is also extensive advice on solving analogy problems, short-entry definitions of terms that often appear on the MAT, and tips on coping with test anxiety.
