## India in Africa: Changing Geographies of Power

In one of the first analyses of contemporary Indian–African relations, this detailed book draws upon a collection of case studies that explore interrelated topics such as trade, investment, development aid, civil society relations, security, and geopolitics. While China's relationship to Africa has been thoroughly examined, knowledge and analysis of India's role in Africa has until now been limited. This book fills the gap and compares and contrasts India to China's role as a rising global power in the African continent.
