AUTOGRAPHED!?? SEE OUR PHOTOS! This set is very nice; like new/very good, except that there are no dustcovers, and for minor shelving wear on bottom edges. Interior pages are very nice, except for owner's stamp on inside covers, and a spot on inside cover of volume 1. The black hardcovers are very nice, with minor wear on bottom edge, and with bright silver lettering on the spines. There is a signature with greeting, maybe of the former president states. This has not been authenticated by a professional, however, it appears very similar to other autographs of Harry Truman. See our 3 photos (w/o dustcovers on white sheet), which states, "To my friend Jack with best wishes Harry." Overall, a very nice set of volumes.
