Levonne Louie's new book certainly fits this bill." - Fenner Stewart, Assistant Professor of Law at the University of Calgary, in Resources: Canadian Institute of Resources Law

Mineral land is one of the most basic components of the oil and gas industry, but it's often misunderstood. If you're a landowner, do you know which rights you have and what to do if an oil and gas company approaches you to lease or drill on your land? If you're an oil and gas industry professional, are you lacking critical knowledge about mineral land that could enhance the work you do every day? Mineral Land Rights: What You Need to Know is a concise, jargon-free and definitive guide that simplifies a complex subject, written by a true expert in the field.
