\*\*\*Excerpt\*\*\*

He knew what I wanted, what I'd wanted all week long, that cathartic release that would wash the stress of school and my job away. Granted the stress of preparing for exams was over, but I still hadn't received my final grades. I know I shouldn't have been worried about it, especially since there was nothing I could do now, but I wouldn't be completely relaxed until the grades were officially in the books.

As he drove, I put my hand on Colt's leg, easing it up slowly toward his crotch. He looked straight ahead, as if he didn't even notice. Then I began massaging, my hand between his legs, rubbing gently, feeling that big cock starting to get hard. Could I make it all the way home? Now that I'd initiated things, I felt my desire growing exponentially by the second. How could I hold out that long?

I continued rubbing, then unbuckled my seat belt, moving my head down toward his crotch. Colt shifted the seatback, knowing what I had in mind, anticipating it even more than I was. I unzipped his jeans. He got up slightly, allowing me to shimmy them off of his hips so I could pull out that monster cock, already halfway hard. My mouth would get it the rest of the way there.
