Satan's One World Beast Has Come

This book covers the final kings and kingdoms, and their sequence of events, along with a basic outline of Christ's second coming, based on Daniel's timeline, in scripture. Spiritual Portals are being opened through blood sacrifices, sacred pagan occult rituals and ceremonies, which are no longer being hidden, but many are being exposed in plain sight, yet not recognized by the naive masses. Not only are these things happening in the music industry, and in half times of sporting events, but also major national and world events as the opening and closing of the 2012 London Olympics, and the recent Obama Presidential Inauguration, which is clear evidence and confirmation that America is becoming Mystery Babylon. The symbolism and ceremonies are hidden in plain sight, which means that to those who don't understand, it has no meaning. But to those who understand, they are displaying through occult symbolism what is being planned, and through sacred ceremony actually opening spiritual doors to release dark fallen angles, principalities, powers, and demonic spirits from the abyss, on to the earth. The symbolism and what they are planning is explained in this book and (Revelation 9:1-2, 11). "Then the fifth angel sounded: And I saw a star fallen from heaven to earth. To him was given the keys to the bottomless pit. And he opened the bottomless pit, and smoke rose out of the pit like the smoke of a great furnace. And they had as king over them the angel of the bottomless pit, whose name in Hebrew is Abaddon, but in Greek he has the name Apollyon."
