Season of Second Chances Brighton Walsh

When a storm strands Claire Hanlin in Chicago on Christmas Eve, the last person she expects to come to her rescue is Logan Dawes, the man she almost married two years ago. The chemistry between them is dangerously potent, but with nowhere else to go, Claire accepts Logan's offer to stay with him for the night.

Back in the home they shared, surrounded by reminders of Logan and his young daughter, Claire begins to realize how much she misses the family she almost had. After a few cups of Christmas cheer, she falls right back into her ex's arms—even though she knows it means setting herself up for heartbreak all over again.

The magic of the season has thrown him together with the woman he's never stopped loving, and Logan's not about to pass up this gift. He's not the workaholic he was two years ago—his family comes first. Now all he has to do is prove it to Claire, before the snow stops and she flies out of his life for good.
