Attenzione!

They say that a gesture is worth a thousand words, and when it comes to speaking with your hands, the Italians speak volumes. This quirky handbook of Italian gestures, first published in 1958 by renowned Milanese artist and graphic designer Bruno Munari, will help the phalange-phobic decipher the unspoken language of gestures a language not found in any dictionary. Charming black-and-white photos and wry captions evoke an Italy of days gone by. *Speak Italian* gives a little hand to anyone who has ever been at a loss for words.
