Theology after Lacan: The Passion for the Real

Theology after Lacan: The Passion for the Real

This groundbreaking volume highlights the contemporary relevance of Jacques Lacan (1901-1981), whose linguistic reworking of Freudian analysis radicalized both psychoanalysis and its approach to theology. Part I: Lacan, Religion, and Others explores the application of Lacan's thought to the phenomena of religion. Part II: Theology and the Other Lacan explores and develops theology in light of Lacan. In both cases, a central place is given to Lacan's exposition of the real, thereby reflecting the impact of his later work. Contributors include some of the most renowned readers and influential academics in their respective fields: Tina Beattie, Lorenzo Chiesa, Clayton Crockett, Creston Davis, Adrian Johnston, Katerina Kolozova, Thomas Lynch, Marcus Pound, Carl Raschke, Kenneth Reinhard, Mario D'Amato, Noelle Vahanian, and Slavoj Žižek. Topics traverse culture, art, philosophy, and politics, as well as providing critical exegesis of Lacan's most gnomic utterances on theology, including "The Triumph of Religion"
