**Tradecraft: Book Two of the Back to Normal Series (Volume 2)** Mr. Randy L. McWilson

Tradecraft: Book Two of the Back to Normal Series. The thrilling time travel saga that began with Paradigm Rift now continues. Just as Area 51 scientists make a remarkable discovery concerning Denver Collins' wallet, explosive evidence mounts that a murderous saboteur lurks within the upper echelons of CIA Project SATURN.

With a persistent newspaper editor attempting to connect all the dots, even a revolutionary time travel breakthrough by the researchers in The Basement might be tragically too late. Denver Wayne Collins remains unconscious behind bars, an FBI dragnet is sweeping the Midwest, and a relentless Russian assassin tracks down their hidden location.

Normal's Jumpers are running out of time.

The Back to Normal Series is a thrilling mix of history, mystery, and conspiracy. From Area 51 to Roswell, from present day to the beginnings of the Cold War, follow the gripping account of a desperate group of time jumpers hunted by the CIA /KGB and hounded by their own pasts. This four-book saga will challenge the way you understand contemporary world history...and even time itself.

TRADECRAFT is the sequel to PARADIGM RIFT, Book One of the Back to Normal series.
