Middle school is all about change. In the opening section, girls take a quiz to determine how they respond to change, then receive tips on how to cope with the big changes that they're getting ready to face as they start middle school- switching classes, getting up earlier, and having their own lockers, all while learning to manage a new school, new teachers, new friends, and LOTS more homework and activities! The secret to feeling more confident as she starts middle school is having a little insight into what to expect. This book provides that information as well as Smart Girl's tips from girls who have already made the grade in the big school.
