Early Theological Writings (Works in Continental Philosophy)

G. W. F. Hegel

Early Theological Writings (Works in Continental Philosophy) G. W. F. Hegel

This volume includes Hegel's most important early theological writings, though not all of the materials collected by Herman Nohl in his definitive *Hegels theologische Jugendschriften* (Tuebingen, 1907). The most significant omissions are a series of fragments to which Nohl give the general title "National Religion and Christianity" and the essay "Life of Jesus."
