Grunt Life: A Task Force Ombra Novel Weston Ochse

This is a brand new Military SF series from Weston Ochse, an experienced military man and author.

Benjamin Carter Mason died last night. Maybe he threw himself off a bridge into Los Angeles Harbor, or maybe he burned to death in a house fire in San Pedro; it doesn't really matter. Today, Mason's starting a new life. He's back in boot camp, training for the only war left that matters a damn.

For years, their spies have been coming to Earth, mapping our cities, learning our weaknesses, leaving tragedy in their wake. Our governments knew, but they did nothing—the prospect was too awful, the costs too high—and now, the horrifying and utterly alien Cray are invading, laying waste to our cities. The human race is a heartbeat away from extinction.

That is, unless Mason, and the other men and women of Task Force OMBRA, can do anything about it.

This is a time for heroes. For killers. For Grunts.
