Potty Training: 101 Effective Tricks and Tips to Potty Train Any Child in 3 Days or Less Rita Boyd

One of the greatest rewards of being a parent is hearing your child's very first word, or watching him take that first step.

Another milestone is potty-training. You'll never forget this experience, whether it is a good or bad one! Some parents seem lucky to have kids that potty train quickly and permanently. But it's NOT luck. YOU are there helping him and staying positive, so that the experience is positive for him, too.

Potty training doesn't have to be as stressful as it seems to be for some parents. If you follow this book, it can be done in three days, and it can be easier for your child. Potty training is sometimes confusing to children, especially their first few times going to the potty. The secret to success is remaining calm and staying positive. He will feel that, and it will take the pressure off of him.

In this book, we teach you about:

- The history of potty training
- Potty training timetables and charts
- How to tell when your child is ready for potty training
- 101 great tips for successful potty training
- Supplies & equipment that make the job easier
- How to proceed if you have even less than three days to get the job done

Follow our guidelines and you'll have a virtually stress-free potty training with your child. Remember to remain calm and patient and you'll be rewarded with a well-adjusted, potty-trained child.
