## **The 10 Habits of Highly Successful Authors: Your Guide to Publishing Prosperity (Achieve writing success) Gerry Canfield PhD**

Do you dream of becoming a published author? It's certainly a great time to try. The fact is that writing has become more accessible to the public than ever before and today millions of hopeful authors are trying to break into the fascinating world of self-publishing, for the enjoyment of writing, for the satisfaction of seeing their works in print and to generate income. But, as you might expect, despite all the hype and gloss that surrounds the growing world of self-publishing, very few writers come anywhere close to the success that they expect. So it's very helpful to consider the habits and behaviours of highly-successful authors and learn from their experience. After all, they must be doing something right - they're successful.

The Ten Habits examines:

- How to create the vision to produce successful stories and non-fiction
- Enhancing the range and power of your creativity
- Turning your writing belief system into a source of sustained success
- Developing focus and determination
- Improving your skills as a writer
- Learning to be more disciplined with your work schedule
- Becoming resilient to the barbed criticism of hostile reviewers
- Preparing yourself to enjoy your success to the full

Written by the highly experienced and ever-popular best-selling author, Dr Gerry Canfield, the principles presented in this excellent guide book are aimed at the new or experienced author who wishes to achieve the kind of results that are usually only associated with best-selling writers. And there's so much to be gained by each and every one of us as we examine and apply these time-tested habits of success to our own lives and writing careers. It's a seriously refreshing approach to making your writing efforts so much more productive and commercially successful and Dr Gerry is a gifted and entertaining writer with an impressive bag of best-selling titles to his credit. The advice is practical and entirely based on the results of real-life experience. That's what makes the suggestions so powerful. If you are serious about writing the best material that you possibly can and seeing your book sales deliver a meaningful income that can change your life, this is a book that deserves all of your attention. It's destined to become a classic. Get it right now.

So there are a lot of benefits that you will get when you buy this book.

#### **Eduardo Fernandez:**

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just small students that has reading's soul or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The 10 Habits of Highly Successful Authors: Your Guide to Publishing Prosperity

(Achieve writing success) can make you really feel more interested to read.
