William Timlin

The Ship That Sailed to Mars (Calla Editions) William Timlin

A *raison d'être* of Calla Editions is to make long-forgotten masterworks available to contemporary bibliophiles, and this book fulfills that aim like few others can. *The Ship That Sailed to Mars* has a legendary reputation, and the original edition is much sought after by an ardent cult of collectors. Its author, William Timlin, was an obscure South African architect who, in a singular burst of creativity, brought forth a magical intertwining of science fiction and fantasy, a kind of Burroughs meets Tolkien. With 48 pages of calligraphic text — in Timlin's hand — and 48 color plates, it is a work of stunning design, illustration, calligraphy, and overall conception. The Calla Edition also features a new introduction by John Howe, one of the two chief conceptual designers for Peter Jackson's *The Lord of the Rings* movie trilogy. The reappearance of this much-discussed title will be applauded by many fans of science fiction, fantasy, and book illustration.
