The president has fled Washington amidst the turmoil of an 'undead' pandemic and the members of the Chamber, the evil behind the abominable plague, have also fled the chaos. Be it fate or coincidence but both groups intersect at Prince George, where the original survivors from Twin Falls await, without any knowledge of who their visitors are. But the group from Twin Falls aren't the only ones ready to greet them. As the world plunges Toward the Brink of extinction, there remains only one question; Will anyone survive?
