**Beauty and the Beast: Modern, fantasy retelling (Not quite the fairy tale Book 3)** May Sage

“Let me tell you one thing, Beast: if your Prince ever returns, watch his back. There are thousands who would gladly throw daggers at it.”

And Belle would be first in line.

Ten years ago, he was Prince Aiden, heir of Jereena, at the top of the world – now, they call him Beast. Aiden has landed on his feet, his exclusive club is the place to be, he makes hundreds of thousands a night. What else could he possibly want?

Belle grew up during the Anarchy, and the corrupted system screwed her, big time, but she managed to get by.

Then, her stupid brother goes and steals from the Beast, who demands her as payment.

Well, her, a pile of cash, or her sister – option two and three aren't acceptable.

---

Beauty and the Beast is the third volume of Not quite the Fairy Tale, however it's a standalone.

I do recommend reading at least Cinderella, first, to "get" the world... but it's not necessary. Believe me, you'll enjoy it regardless.

Beware of strong language and sexual situations.

So now let us explain to you the relaxing pattern the following is your body and mind are going to be pleased when you are finished studying it, like winning a. Do you want to try this extraordinary investing spare time activity?

#### **Mary Varnum:**

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Beauty and the Beast: Modern, fantasy retelling (Not quite the fairy tale Book 3) can make you really feel more interested to read.
