This war is not being played on a battlefield. Killed by the man she loves, even death is not kind to Zoey. Neither life nor her fae powers will let her go in peace. In this final installment, Zoey's strength, determination, and trust are put to the ultimate test. In the fight to protect the people she loves and stop DMG from experimenting on fae, humans, and animals to create soldiers, she learns the reality of how far Dr. Rapava will go to achieve his ultimate mission. Of course, Rapava is not the only one willing to go to extremes. Vadik is hunting Ryker, and there is nothing he won't do to get the property back he feels is his: both Ryker and the Stone of Fál, the Stone of Destiny. Zoey has always stood alone, counting only on herself and keeping her heart well guarded. But now she realizes it will take an army to fight against this opponent. To save herself and all she cares about, she must learn to trust. This might be the hardest lesson for her to learn, especially when betrayal comes from those closest to her.
