Shadow Grove (Shadow Grove Series Book 1) Lacey Edward

## What would you do if you turned 18 and found out you were a witch?

Ariel Temple is leading a perfectly normal existence. She does well in school and mostly keeps to herself. She lives with her father and wonders why they have never visited her grandfather, even though they speak to him every week on the phone.

When her grandfather suddenly dies, Ariel and her father must travel to Shadow Grove to settle his affairs. Shadow Grove holds many, many secrets, not the least of which is what really happened to Ariel's mother and why her grandfather left her a powerful amulet before he died.

When she finds out she is a witch, Ariel has some decisions to make. But first, who can she trust...the mysterious man who appears in her dreams or the recluse whom her father clearly despises?
