The Truth War: Fighting for Certainty in an Age of Deception

John F. MacArthur

The Truth War: Fighting for Certainty in an Age of Deception John F. MacArthur

Right now, truth is under attack, and much is at stake. Perhaps no one in America is more passionate than John MacArthur about exposing those who are mounting this attack?especially those bringing the assault right into the church.

There is no middle ground?no safe zone for the uncommitted in this war. The battle for truth is raging, and this book reveals:

- The pitfalls of postmodern thinking
- Why the Emerging Church Movement is inherently flawed
- Past skirmishes in the Truth War and their effect on the Church
- The importance of truth and certainty in a postmodern society
- How to identify and address the errors and false teachings smuggled into churches

"[The postmodern age] is the age of no truth, an age that has reached a point of deadly fatigue when it comes to facing the truth?a generation that no longer believes truth can be known. Dr. John MacArthur knows better, and he is armed with the courage to confront this age with a bold defense of truth. . . . His argument is compelling, his defense of truth is brilliant, and his concern for the church is evident on every page. The evangelical church desperately needs this book, and it arrives just in time." ?R. Albert Mohler Jr., President, The Southern Baptist Theological Seminary

Jewel Williams:

Reading a book tends to be a new life style within this era of globalization. With reading through, you can get a lot of information that will give you benefit in your life. Using books, everyone in this world can certainly share their ideas. Books can also inspire a lot of people. Plenty of authors can inspire their particular reader with their story or perhaps their experience. Not only the storyline that is shared in the books, but also they write about the information about something that you need, for example, how to get a good score on TOEFL, or how to teach your young ones, there are many kinds of books which exist now. The authors nowadays always try to improve their talent in writing, they also do some study before they write on their book. One of them is this *The Truth War: Fighting for Certainty in an Age of Deception*.

Charles Massie:

People live in this new day and time of lifestyle, always attempt to and must have the spare time, or they will get a lot of stress from both lifestyle and work. So, whenever we ask, do people have time, we will say absolutely yes. People are human, not really a huge robot. Then we ask again, what kind of activity have you got when the spare time comes to a person, of course your answer will probably be unlimited. Then do you ever try this one, reading ebooks. It can be your alternative throughout spending your spare time, the book you have read is *The Truth War: Fighting for Certainty in an Age of Deception*.

Cynthia Cisneros:
