Timeless Leadership: 18 Leadership Sutras from the Bhagavad Gita Debashis Chatterjee The timeless leadership wisdom of the *Bhagavad Gita* explained

Although it was written well over two thousand years ago, the *Bhagavad Gita* ("Song of God"), a revered Hindu religious text, contains an immense wealth of ageless wisdom that speaks directly to the needs of today's business leaders. *Timeless Leadership* takes this unlikely resource and teases out important lessons on 18 aspects of leadership, from commercial vision to motivation, decision-making, and planning.

Looking in detail at what the *Gita* has to say about these and other issues of interest to business professionals, *Timeless Leadership* focuses on one central point: that once the basic thought process of man is improved, the quality of his actions will improve as well, leading to better results.

- Uses an ancient religious text to highlight and explain key Western management concepts
- Explores the leadership ideas in the *Bhagavad Gita* and helps managers and leaders apply them to modern business life
- Weaves together the threads of wisdom from the *Gita* to shed light on issues and challenges for leaders at all levels

Covering teachings and ideas that have only got better with time, *Timeless Leadership* adapts the wisdom of millennia past for today's business leaders.
