Nothing exists in the universe that can compare to His nail-scored hands. All who are touched by His hands are changed, are made complete. It is not a common touch because in it there is salvation, health, deliverance, and all of God's power. The Master's Touch makes all things new. When you have the presence of the Holy Spirit, you have it all. You don't need anything else. And when He touches me, I am only conscious of His presence and how to follow Him. I am like a violinist touched by a master. The Spirit touches the strings of my heart and plays a beautiful song.
